

Next Week in Year 2

Week Beginning 8th July 2024

Reminders for this week

- Take One Picture – Thursday 11th July and Friday 12th July 3:30 – 5pm
 - Friday 12th July – Rocksteady Concert
- Tuesday 16th July – Lewisham Music concert Sedgehill School
 - Friday 19th July - Y2 End of Year Concert 1:15pm

What we will be doing in school

Maths

We will continue to recap money by using strategies to find the correct amount of change. The children be using Role Play where they will be **either the 'shopkeeper' or the customer**. They will then select items to buy and which coins to use for their purchase. Finally, the children will use their subtraction number knowledge to calculate how much change they should give or receive.

How you can help at home

Practise your subtraction skills with this fun game:
<https://www.topmarks.co.uk/learning-to-count/blast-off>

Play against a parent or sibling to see who has the most skills!

English – Creating our own story

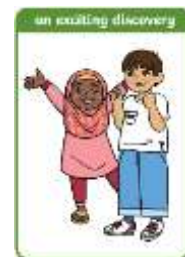

This week in English children will become authors! They will have to choose a setting and their characters, as well as deciding what the beginning, middle and end of the story would look like! We will then spend some time writing up our stories, bringing together all of our learning from across the year.

the clown

at the farm.

you write story using these prompts? about what will happen at part of your story before writing it out, how can you make sure your story is interesting for the reader?

Can a silly Think each

Next Week in Year 2

Week Beginning 8th July 2024

Topic- History

This week the children will be finishing answering the question 'How did the Great Exhibition impact our local area?'. They will look at why the Exhibition was significant and how its impact has continued through the years.

Have a walk around your local area, are there any features you can spot that have been impacted by the Great Exhibition? For example, the Great Exhibition was where the first public toilets were built. Train travel was made more accessible. Museums were built to continue the work of the exhibition.

PSHE

This week the children will be having a discussion in preparation for their transition to Year Three, thinking about the feelings associated with change. They will be drawing on their knowledge of emotions and what they can look like on the outside.

Have a discussion with your child about their upcoming move and the changes that will be happening. Can they reflect on their time at the Infants and draw a picture of their favourite memory? Think about when you started at the Infants and how you felt then.

Art

This week the children will be using their polystyrene tile they created to start their printmaking of the London Skyline. The children have done a great job observing the landscape and drawing it and are looking forward to creating their final piece.

Create a piece of artwork using vegetables or fruit at home. Maybe you would like to create a picture of a famous landmark or recreate a famous painting.

Have a great weekend!

The Year 2 Team
