Next Week in Reception Week Beginning 7th October 2024

What we will be doing in school	How you can help at home
Topic - Super Me, Super You! Next week we are continuing our topic by thinking about a balanced diet, exercise, and our oral hygiene. We will also be looking at healthy living and eating in particular the importance eating a balanced diet. We will talk about teeth milk teeth and adult teeth.	You could talk to your children about the importance of a healthy balanced diet- eating all their fruits and vegetables! You could try different exercises! You could talk about the importance of good oral hygiene.
<u>Maths</u> We will closely explore numbers from 1 to 3 We will also be looking at 2D shapes - the properties of circles and triangle.	Encourage your child to look around for numbers, when you are out and about, ask your child what numbers they can spot e.g. on doors, buses, cars etc. Perhaps you can play games - Can you clap three times? Can you jump once and do a high five?
Phonics <u>New graphemes:</u> New graphemes: ck, e, u, r <u>New tricky word: I</u> <u>Sounds learnt so far</u> : s, a, t, p, i, n, m, d, g, o, c, k,	Play a grapheme hunt game - Write graphemes or words and hide them around your home or garden. Support your child to hunt for them and to say or read them. They could then write the graphemes or words for you to find!
